## **Catalyst Creative, Inc. Wins “Award of Distinction” For Direct Mail From Global Graphic Design Competition**

DENVER – September 11, 2003 – Catalyst Creative, Inc., a full-service graphic design firm specializing in complete design solutions for small-businesses, has won an “Award of Distinction” for outstanding work in Direct Mail from the Creativity 33 global design competition.

The Award of Distinction was awarded for a Direct Mail campaign designed for the Texas Agricultural Extension Service to promote a statewide water conservation campaign in Texas.

Work from the competition will be published in the Creativity 33 Annual. The Annual is a national and global showcase of the top talent in the advertising and graphic design industry. This year, more than 7,000 pieces were submitted from 40 states and 31 countries around the world. There were approximately 1,900 pieces chosen for publication in the annual.
